

How to Connect Your DEX Wallet to Lumen Dei

1. Install MetaMask:

- Go to <https://metamask.io> and install the browser extension or mobile app.

2. Open the Lumen Dei DApp:

- Navigate to <https://lumen-dei.app> (or your test domain).

3. Click 'Connect Your Wallet':

- You'll find this button near the top or in the Investor Overview section.

4. Approve the Connection:

- MetaMask will prompt you to approve. Select your wallet and confirm.

5. You're Connected!

- Your wallet address should now appear in the interface. You're ready to invest.
